**FIRE HORSE INJURED.**

"Bill," the Department's Best Animal, Has Accident.

"Bill," the best horse in the service of the Ardmore Fire Department, met with quite a serious accident while making the run to a fire on F street, southwest. In crossing the Frisco tracks the animal's hind feet got caught between some loose boards and the rail, pulling both shoes off and spraining the left foot badly; the horse being hardly able to make the trip back to the fire hall.

J. W. Hartniff was driving the team and Fireman J. W. Ritter accompanied him, the latter remarking that he was surprised that "Bill's" injuries were not more serious. "Bill" will not be able to make another run for several days.

**AT THE MAJESTIC****ARDMORE MAY BE THE HEADQUARTERS**

FRATERNAL INSURANCE COMPANY WILL GET INTO THIS STATE.

A letter was received in Ardmore today from a representative of the Knights and Ladies of Honor, with headquarters at Indianapolis, asking about conditions in this state, about Ardmore's suitability as a place for headquarters for Oklahoma, and stating that the concern had its papers ready and would soon enter this state and go after business.

The Knights and Ladies of Honor is one of the oldest fraternal insurance orders in the United States, its growth has been phenomenal and its policies are up to the standard of any written.

The acquiring of this concern's state headquarters in Ardmore would mean much to the town.

**NOT SHELBY-DOWN-ARD COMPANY**

LOVEJOY GRADING COMPANY IS RESPONSIBLE FOR SULPHUR ACCIDENT.

J. S. Downard of the Shelby-Downard Asphalt company, advises The Ardmoreite that the dispatch printed in this paper Sunday from Sulphur, in which it is stated that a residence on Carter Heights had been demolished by cross ties being used by employees excavating for the Shelby-Downard company is not correct.

"The Shelby-Downard company," said Mr. Downard, "had no contract on Carter Heights. The company doing work there is the Lovejoy Grading company."

**GIRL BOOSTERS MEET TONIGHT**

WILL ARRANGE TO TAKE CARE OF TEACHERS HERE THIS MONTH.

Ardmore's Girl Booster Club will meet with the president, Mrs. Ida Alexander, at her home tonight at 7:30 o'clock, when matter relating to plans to be carried out by the organization will be discussed and a line of work for the future mapped out.

At this meeting the first work of the club will be inaugurated—that of securing rooms and board for the one thousand school teachers who will be in Ardmore on the 25th and 26th of this month to attend the state teachers meeting. To secure "homes" for this large number of visitors is no small task and the ladies will appoint committees to seek out places and list them in order to systematically accommodate and locate the visitors as fast as they arrive in the city.

The matter of civic improvements and of beautifying the town will also be acted upon and work along these lines pushed along from time to time.

**TALKING CRUCE EVERYWHERE**

PEOPLE FROM ALL SECTIONS WANT TO SEE LEE CRUCE SUCCEED.

Col. Sidney Saggs returned yesterday from Oklahoma City, where he attended the session of the democratic state executive committee. While in the city he met people from all parts of the state, and from conversations he had he comes back more hopeful than ever before of the success of Ardmore's candidate for governor.

He says that in talking with a resident of the northwestern portion of the state he learned that that section was sold for Lee Cruce—that Cruce clubs were being organized and that much enthusiasm was already manifested in the campaign.

"The people want Lee Cruce for governor," he said. "They know that the reins of government will be safe in his hands; they want a safe and sane administration of state affairs and they believe Lee Cruce is the logical man for the place. The Cruce following is growing every day and the popularity of the Ardmore man is spreading to all sections of the state."

**Little Stories of the Street****Buy Shetland Ponies.**

Mr. and Mrs. Joe Willford returned yesterday from San Antonio, Texas, where they visited some time and where they placed one of their boys in school in that city. While there Mr. Willford visited one of the fine Shetland pony ranches and made the purchase of about the dearest little pony that was ever seen anywhere. A paint Shetland, four years old and weight about 300 pounds, is the present he brought home for his children. He instructed a friend of his to make purchases of two more and express them to him. He will in a small way start a pony ranch on his farm near Woodford.

**Like Commission Form.**

L. E. Bumpass, a merchant of Duncan, has written to C. S. Harvey of this city, stating that the Duncan people are considering the matter of adopting the commission form of government and he writes here to secure a copy of the charter adopted by Ardmore.

**Revival Meeting Continues.**

Rev. J. A. Scott, the Baptist state evangelist, who was to preach at the Broadway Baptist church, is seriously ill and will not be able to attend. Rev. Leslie Lee Sanders, the pastor at Broadway, will preach at the service tonight, and an exceptionally strong sermon is promised to those attending. Miss Gertrude Salter of Wichita, Kansas, is aiding in the meetings now. She is an evangelistic singer of much experience and ability. Last night the house was packed to the door. A large chorus choir aided Miss Salter. Mr. Sanders preached a sermon on "The Tragedy of Neglected Good." Out of town ministers are expected to attend the meetings this week.
